### **Mitsubishi Electric: Expats welcome!**

Information event with high-class guests at Mitsubishi Electric on the subject of the recruitment and employment of international specialists

**Ratingen, 6 October 2017** – Mitsubishi Electric is an internationally operating company and since almost 40 years located in Ratingen nearby Düsseldorf. Globalization and internationality are basic cornerstones of the Japanese company. This also applies for international personnel employment since the German Branch of Mitsubishi Electric employs persons of more than 25 nations.

In addition, international personnel employment is a big chance for companies to develop international markets or to counter the shortage of specialists. To offer perfect conditions, Mitsubishi Electric cooperates with „Expat Service Desk“, the first central contact point for international professionals of the State Capital Düsseldorf, the county Mettmann and IHK Düsseldorf.

In order to facilitate local companies the employment of international personnel, the Expat Service Desk invited to an information event at the German Branch of Mitsubishi Electric in Ratingen on 5 October 2017.

Recruiter and decision-makers especially from small and medium-sized companies of the region Düsseldorf and Mettmann could learn more about recruitment and employment of international specialists.

More than 30 high-class guests and experts from science and industry accepted the invitation and discussed the process of an employment of international personnel.
